

**2022 Alcohol Awareness Month
Bag ART Contest
Sponsored by
Achieving Recovery Together**

For the Health of It

Alcohol remains the number one drug of choice for America's youth. It is more likely to kill young people than all illegal drugs combined. That's why it's important to get involved in Alcohol Awareness Month, observed annually throughout April.

ART is once again asking for your help this Alcohol Awareness Month. We invite Clark County students to participate in our 5th annual Bag ART Contest. Students can design a bag or flyer based on the national Alcohol Awareness Month theme. This year's theme is *For the Health of It: Early Education on Alcoholism and Addiction*.

Rules:

- You may enter this contest if you are a student in Clark County during the 2022 school year.
- Use a clear **"NO USE"** message about drinking. Use positive messages and images, such as the benefits of remaining alcohol free.
- Use any medium but keep in mind that winning pieces must lend themselves to reproduction.
- Avoid the following:
 - Do not include tobacco or other drugs.
 - No trademark or copyright characters allowed.
 - Do not use logos or political messages.
